Our Funded Sessions and Additional Clubs

Full-Day Funded Session

Our full-day funded session runs from 9.30am until 3.30pm, providing six hours of early years education and childcare. Parents who wish to extend their child's day can choose to add our optional, chargeable Rise and Shine Club, which starts at 8.45am.

Morning Funded Sessions

Our half-day funded morning sessions are available at either of the following times:

8.45am–11.45am

9.30am–12.30pm

Parents can choose to extend their child's morning by adding our optional, chargeable Rise and Shine Club, allowing an earlier start or a longer morning, depending on their chosen funded session.

Afternoon Funded Sessions

Our half-day funded afternoon session runs from 12.30pm until 3.30pm.

For parents who would like their child to arrive earlier, our optional, chargeable Lunch Club is available from 11.45am, allowing children to enjoy lunch before joining their afternoon session.

Snacks and Activities

We provide a morning and afternoon snack for every child at no additional cost.

We are committed to providing rich, varied and exciting learning opportunities throughout every session. All activities that form part of our everyday preschool provision are included within the funded entitlement, with no additional activity charges to parents and carers.

Our Commitment to Families

Our additional clubs are entirely optional, and parents can access their child's funded sessions without having to purchase additional hours or services. We want every child to enjoy the same high-quality learning experiences and opportunities, regardless of whether their family chooses to access our additional clubs.
