

BODIAM PRESCHOOL NEWSLETTER

TERM 4

WELCOME

We would like to welcome our new member of staff, Vicki to Bodiam Preschool. Vicki has lots of experience working in early years and is very popular with all the children in the setting, we have enjoyed learning lots of new games from Vicki already.

WORLD BOOK DAY

We have world book day coming up this week and although we don't expect you to send the children in all dressed up it would be nice if they choose a favourite book to bring and share with their friends if they would like to.

QUIZ

We would like to thank everyone that came to our quiz night and would like to especially thank Katie our treasurer for doing such a great job organising it for us. She managed to get some very generous prizes donated by several local businesses and raised a great total of £250 for the preschool.

FUNDRAISING

Just a reminder that we do have an easy fund-raising page. Since starting this, we have raised a total of £437. It is so easy to use when you shop online. Signing up only takes a few minutes, to get started go to <https://www.easyfundraising.org.uk/> and enter Bodiam Preschool in the cause search bar.

LUNCHES

We have a child with us who may have a potential nut allergy so as a precaution please don't send any food in which contains nuts. As always, we actively promote healthy eating, if you get stuck for healthy food ideas in lunch boxes just ask us for inspiration. Just as a reminder, party sausages and any fruit or

vegetables which are smaller than a two pence piece, need to be chopped into either quarters or half as children can choke on these.

SPARE CLOTHES

The children all like playing outside whatever the weather so warm, spare clothes are a must, you could never send them in with too many. Thank you to all of you that send a spare bag in for the wet clothes, this really helps us to do our bit for landfill!

KEY PERSON

All the children have both a keyperson and a buddy who work with them. If you have any questions about your child's development, please do ask for a meeting with one of them. During each term you will be sent home a copy of your child's individual plan which shows what activities we intend to be doing with them to support their learning. You will also be given the opportunity to do activities at home to share with us too.

COMMITTEE

Finally, as you are probably aware, we are run by a committee of parents and volunteers from the local community. Being part of the committee gives a real insight into the running of our preschool, you will be part of the decision-making team, giving you the opportunity to make our preschool even better than it already is! For the preschool to run we need a committee. If you might be interested in joining, please ask Mel for some more information.

DATES FOR YOUR DIARIES
